### CERTIFICATE OF GOOD STANDING

#### TO WHOM IT MAY CONCERN

As desired I certify to **Dr. med. Daniel Marian Kruschinski**, born on February 4<sup>th</sup>, 1958 in Kielce/Polen, the presentation of his licence to practise medicine.

The licence was given to **Dr. med. Kruschinski** on November 25<sup>th</sup>, 1985 by the Regierungspräsident in Düsseldorf.

The education absolved by **Dr. med. Kruschinski** entitles him according to § 3 „Bundesärzteordnung (BÄO)“ (Federal Regulations for Doctors) - in the current version - to an unlimited practice of the medical profession in the Federal Republic of Germany.

Furthermore I confirm that until today, the licence to practise medicine has not been recalled, cancelled (according to § 5 BÄO) nor the rest of the licence has been ordered (according to § 6 BÄO).

Until today there is no charge against **Dr. med. Kruschinski** initiated which would lead to the above mentioned steps.
